# 5 Paint Trends We're Loving Right Now

By GRACE BEULEY HUNT | APR. 26, 2018

Why do we love paint so much, you ask? Because it's hands down the cheapest and simplest way to *toooooo* transform a space. And switching things up on the regs is half the fun of it. Here, the latest and greatest in paint ideas for 2018. (Happy experimenting.)

## BOOKSHELF 'BACKSPLASHES'

Looking for a light-lift DIY that packs a *ton* of punch? Use paint on the backs of your bookshelves to transform them into a chic gallery. (Pro tip: Make like [Uma Stewart](#) and use a paint color that ties in your artwork.)
